PRINTING SUPPLIES AND EQUIPMENT
CATALOG 2008

PRODUCTION START-UP PRINTSHOP II

This basic entry level equipment package is not for hobbyists, as are many "starter" or "all-in-one" kits available. Produced for the serious entrepreneur, this is commercial-grade, durable engineering that permits industry quality and good output, for that first step until higher volume needs and budget demand more.

**CHOOSE A SET-UP
THAT WORKS
BEST FOR
YOU!!**
